REQUEST FOR RECONSIDERATION OF THE DECISION ON PETITION

Sir:

A Decision on Petition was mailed June 2, 2004 and set a two (2) month response period within which a Request for Reconsideration could be filed. The Decision on Petition made no statement that the response period for filing the Request to Reconsider could not be extended. Therefore, in accordance with 37 CFR 1.137(e) and MPEP 711.04 (H), Applicant respectfully requests a one month extension of time.

The Decision on Petition states that "in absence of any irregularity in the mailing of an Office Action, there is a strong presumption that the Office action was properly mailed to practitioner." The Decision on Petition concludes "there was no irregularity in the mailing of the Final Office action mailed November 13, 2002." (Page 2, lines 1-2). Applicant respectfully disagrees, and respectfully submits that the strong presumption should not apply in the instance case.

1) The Office action mailed April 30, 2004 makes no mention of any previously mailed Office action, such as stating that the response period continues to run from the mail date of the previous Office action.

2) It is very unclear as to why the PTO would have mailed the second Office action. As far as the PTO was concerned the Office action was mailed on November 13, 2002 to the proper address, and a change of correspondence address came in on December 13, 2002. It would appear that the PTO would simply mail any subsequent Office action to the new correspondence address. Why would the change of correspondence address trigger the re-mailing of a previous Office action, mailed one month earlier? And, if the change of correspondence address does trigger such a re-mailing, then why wouldn't the Office action make reference to such occurrence.

3) The Notice of Abandonment states that the application went abandoned for a failure to respond to the Office action mailed April 29, 2003, not the Office Action mailed November 13, 2002.

4) The courtesy copy of the Office action provided by the Examiner (after we learned about the Notice of Abandonment) shows a mail date of April 30, 2003, with a handwritten notation that appears to state "Remail 4/30/03." The notation appears to be stating the same mailing date of April 30, 2003, which is confusing in itself. Further, the date is different than the date on the Notice of Abandonment, April 29, 2003, yet another irregularity.

Telephone Interview

Applicant's representative thanks Examiner Krista Zele for the courtesies extended during a recent telephone interview. Ms. Zele explained that the instant Petition would be denied until the docket reports for Avaya were presented to demonstrate that Avaya did not receive any Office Action for this application having a mailing dated of November 13, 2002.

After a search of Avaya's records, it is apparent that Avaya did not receive the Office communication allegedly mailed on November 13, 2002. A search of the file jacket and docket records at Avaya revealed that no communication was received from the USPTO, dated November 13, 2002 regarding the above-identified application. A copy of Avaya's docket records, where the communication would have been entered had it been received, is attached hereto.

If the November 13, 2002 Office action been received by Avaya, the February, 2003 "Diary Listing Report" would have included an entry indicating the three-month response due date of February 13, 2003. The entry would have appeared as follows:

"09/353,316 Macor 8 US Response to Office Action 2/13/03"

As can be seen in the February 2003 "Diary Listing Report" no such entry occurs.

Please note that on page 6, entry 20, is relevant to the above-identified application. The entry states:

"09/353,316 Macor 8 US Awaiting Examiner Response 2/28/03"

This entry is automatically docketed into Avaya's diary system, whenever Avaya is expecting to receive an Office action. We had filed an Amendment on August 29, 2002, and as the entry evidences, Avaya was still "awaiting" a response from the Examiner to the Amendment.

For the reasons, as stated above, reconsideration and granting of this Petition are respectfully requested.

Applicant respectfully petitions under the provisions of 37 C.F.R. § 1.136(a) and 1.17 for a one-month extension of time in which to respond to the Decision on Petition. **The Extension of Time Fee in the amount of \$110.00 should be charged to Deposit Account No. 50-1602. A triplicate copy of this page is attached hereto.**

Please note that on page 6, entry 20, is relevant to the above-identified application. The entry states:

"09/353,316 Macor 8 US Awaiting Examiner Response 2/28/03"

This entry is automatically docketed into Avaya's diary system, whenever Avaya is expecting to receive an Office action. We had filed an Amendment on August 29, 2002, and as the entry evidences, Avaya was still "awaiting" a response from the Examiner to the Amendment.

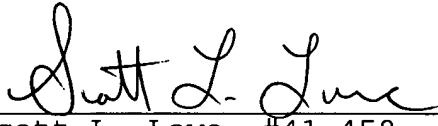

For the reasons, as stated above, reconsideration and granting of this Petition are respectfully requested.

A triplicate copy of this page is attached hereto.**

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 50-1602 for any additional fee required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,
